Permit Modification – Permittee Name Change and Facility Name Update  
Tracking Nos. 14742430 and 14891687; RN102070547/CN601540404

Dear Mr. Newman:

We have reviewed your application for an MSW permit modification dated June 16, 2011, and the revisions dated August 14, 2011 requesting the permittee name change from Liquid Environmental Solutions of Texas, L.P. to Liquid Environmental Solutions of Texas, LLC and update of the facility name to Liquid Environmental Solutions of Texas, LLC San Antonio, Texas Facility. The information presented is technically sufficient for a municipal solid waste permit modification in accordance with Title 30 Texas Administrative Code (30 TAC), Chapter 305, Section (§)305.70(k)(13), for the permittee name change and facility name update.

Enclosed is a copy of the referenced permit modification which is now part of the permit and should be attached thereto. The documentation prepared and submitted to support the modification and name change request shall be considered as requirements of the permit.

In accordance with §305.70(k)(13), you are required to mail notice of the permittee name change and facility name update no later than 20 days from the date of this modification approval. Please follow the instructions outlined below.

1. Mail notice in accordance with 30 TAC §39.106 to the current landowner list and all other interested or affected persons listed in §39.413, including persons on a mailing list maintained by the Texas Commission on Environmental Quality (TCEQ) Office of the Chief Clerk under §39.407. The text of the notice must comply with §39.411(b)(1), (2), (3), (6), (7), (9), and (12), and provide the website address where the application has been placed, in accordance with §330.57(i).
2. File a completed, original Certification of Notice of Issuance (form enclosed) and a copy of the mailing list with the TCEQ MSW Permits Section within 30 days after the notice is mailed. Include a copy of the notice with this certification.

Mr. Newman
